Dear Mr. Hamlen:

Your request for experimental authorization is hereby returned to you, because it was submitted on an outdated form.

We call your attention to the enclosed FCC Public Notice, dated June 26, 1996, which states that all versions of FCC Form 442 older than the March 1996 revision are now obsolete. Accordingly, we have enclosed a copy of the most recent form for your convenience, and request that you Please resubmit your application on this form, and send it directly to this office, at the address on the letterhead, to my attention, with a cover letter stating that it is a resubmission. No additional fee is required.

We appreciate your cooperation.

Thank you,

**Nancy Hey,
