William Caton, Acting Secretary
Federal Communications Commission
Experimental Radio Service
P. O. Box 358320
Pittsburgh, PA 15251-5320

Dear Mr. Caton:

Transmitted herewith in duplicate on behalf of Universal Wireless Television Corp. is an application on FCC Form 442 for authority to conduct a radio experiment (Experimental Radio Service) in the area of Lafayette, Indiana.

A check in the amount of \$45 is included in satisfaction of the required filing fee. A self-addressed, stamped envelope is also included for return of our file copy of this filing bearing the FCC's receipt stamp.

Please contact the undersigned should you have any questions concerning this filing.

Very truly yours,

Ronald D. Maines
