Mr. Miller

Since the request below involves space-to-space communications with the Iridium and Orbcomm satellites, both Iridium and Orbcomm would also need to be file STAs for their side of the communications link. The request is just one part of the communications link. Therefore, until we have some thing on file from both Iridium and Orbcomm on this it is premature for us to act on this application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 06, 2012 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
