Form 442 Question 5
FAA ANTENNA SKETCH

WI2XFX
LICENSE MODIFICATION APPLICATION
File Number 0131-EX-CM-2020

prepared for
University of Alaska – Fairbanks
Geophysical Institute

The instant License Modification Application proposes only the addition of several frequency bands of operation to the existing licensed operation (file number 0082-EX-ML-2016.) No increase in height or change in location of the antenna structures is prosed herein.
