File No. 0354-EX-ST-1999
Application for Renewal of STA

To the Commission:

As a courtesy to the University of California, Berkeley ("UCB"), electronically transmitted herewith is an application for renewal of the above-referenced Special Temporary Authorization ("STA"). The STA was granted on December 6, 1999, and is scheduled to expire on June 6, 2000. UCB requires a renewed STA so that it may continue the program of experimentation as described in the original STA request. UCB is eligible for the requested renewal because it has filed an application for regular authority to replace the STA, in accordance with Section 5.61(b) of the Commission's rules.

The filing fee for this application, along with a completed Form 159 remittance advice worksheet, will be submitted in accordance with the Commission's rules and procedures.

If you have questions, please call me at (202) 719-7235.

Respectfully submitted,

/s/
