The program licensing rules require that the authorized area of operations must be "a geographic area

that is inclusive of an institution's real-property facilities." Is the testing area legally University of California Santa Barbara's real-property facilities?

The items indicated above must be submitted before processing can continue on the above referenced application.

Failure to provide the requested information within 30 days of 07/08/2019

may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
