

Explanation for Renewal Application File Number 0555-EX-CR-2020

The current license for QPACE, 0074-EX-CR-2020 expires Oct 30 2020. The launch has slipped repeatedly, and the current plan is for the launch to occur no earlier than Nov. 15, 2020. We request that a renewal license be issued to set the term of the license to cover the period from Nov. 1, 2020 to October 30, 2022.

No changes are being requested for any terms of the license, other than the period of operation.
