Message:

A new SpaceCap file has been uploaded with the following corrections

- Space-to-Earth link changed to EH (Space Research Station)
- Earth-to-Space link changed to EC (Space Station in Fixed-Satellite Service )
- Spacecap earth station location has been updated to match NTIA Space Record Data Form and Form 442
- Emission designator for uplink has been changed to 30K0G1D in Spacecap

A GIMS file has been uploaded with the relevant antenna patterns.
