Subject: Additional Information Request

Message:

1) Pay the fees for this application

2) Renewal request can only be used to extend the expiration date. You will have to file a separate modification request after the Renewal request is complete.

Remove the following part from this renewal application

Besides the original 437.25MHz, both Fixed ground stations will add a new operating frequency at 437.325MHz to support another satellite.

A new Mobile station (Nongeostationary Satellite) will be added to this license, with the same UHF device but operating at 437.325MHz, and a SBand Radio, made by SpaceQuest, Model TX2400, with a frequency of 2400-2405 MHz, 2W ERP.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 14, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
