Subject: Additional Information Request

Message:

Please clarify your location request. What does "later" mean? We need to specify the location to determine if it will cause interference. A nationwide request is too broad and would be very tough to coordinate. We might be able to possibly do states CO and NM. It would be best if you could narrow down the area of operation for coordination purpose.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 08, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
