Douglas,
I submitted the API doc via the online portal but once again I am unable to submit the access file via that system, it gives me an octet error every time.

I attached the access file as an txt via this email. The issue should be resolved.
As for the API many of the questions were N/A because we do not have a constellation.
thanks again,
David

[EXTERNAL SENDER - PROCEED CAUTIOUSLY]

Respond to questions/comments below from the FCC's International Bureau/Satellite Division:

Complete the attached additional data form as previously requested. You didn't provide answers to the mandatory questions.

For the SpaceCap, you have multiple(4) notice entries. Only 1 notice per AP4 is allowed. Please remove the additional notices in the SpaceCap and resubmit.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 5, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
