

This application is fee exempt.

The application is filed by a state university for the purpose of completing federally-funded research grants and contracts.

The requested license is necessary to perform research under National Science Foundation grant 1242895 to the University of Illinois at Urbana-Champaign. This project is to design, develop, operate, and analyse the results of a 6U CubeSat mission named the Lower Atmosphere/Ionosphere Coupling Experiment (LAICE). The principal investigator is Gary Swenson (swenson1@illinois.edu).
