Date: December 12, 2013

Subject: FCC File No. 0766-EX-PL-2013

---

Message:

1. The Department Chairman for the Electronics Engineering Department is determining the appropriate Emission Designator. It will be corrected shortly.
2. City location is Lawrence, Kansas. The precise location is the Lawrence Airport, Kansas. This is where the Aerospace Engineering Department has their Garrison Flight Research Center located as well as the Cessna 172 hangarred.
3. AFTRCC is in process. We will upload ASAP.

Thank You.

George R. Blake
