

Renewal of experimental license WD2XGC

This application is fee exempt.

The application is filed by a state university for the purpose of completing federally-funded research grants and contracts.

The requested license renewal is necessary to perform research under National Science Foundation Grant AGS-1655693 to the University of Massachusetts Amherst. This grant supports research and development of advanced radar systems for the study of precipitation, severe storms, and other phenomena. The cognizant NSF Program Director is Nicholas Anderson (nanderso@nsf.gov).
