Message:

Please go back to your application and add a new antenna for the ground station. Additionally, submit ITU cost recovery letter and the SpaceCap file. Please provide the following items with respect to CubeSat and ground-station:

- a) The satellite transmitter antenna gain and beam width
- b) The ground-station receiver antenna gain, beam width, azimuthal range, site elevation above mean sea level in meters and the antenna height above terrain in meters.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 22, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
