Subject: 1644-EX-ST-2026 pre-coordination data request

Message:

FAA Coordination is sent via two documents. Card3_Aproved and a FAA Concurrence of Record. Coordination was also required with the AFTRCC. AFTRCC representative had me attach images of the email stating DoD concurrence and their confirmation number is shown: AFMO2601776 as well as AFTRCC concurrence. Those are attached as well.
