Subject: Additional Information Request

Message:

Good morning Ronald,

Before we can proceed with your modification request, please address the following items:

Detailed Narrative: Provide a thorough written description of your modification request. Please note that a manufacturer's data sheet cannot be used in place of this narrative.

Stop Buzzer Contact: Provide contact information for a "stop buzzer" point of contact. This must be an individual authorized to address interference concerns and immediately halt all transmissions if needed.

Experimental Equipment: Clarify if the equipment listed in FCC Form 442 is experimental or not. If it is not, then why the need for experimental license?

Please let me know as soon as you have updated these items so we can move forward.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 30, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
