Pittsburgh, PA 15251-5320

Dear Sir or Madam:

This letter is a request from UpThere Communications Inc for a Special Temporary Authority to operate an experimental station at the World Airline Entertainment Association (WAEA) trade show.

Name and address: UpThere Communications, Inc.
9845 Willows Rd NE
Redmond, WA. 98073

Need for special action: We are developing software to be hosted on an airborne file server to provide e-mail service. We intend to use an Inmarsat Mini-M terminal to simulate airborne satellite communications for potential customers at WAEA.

Type of operation: Trade Show

Purpose of operation: To simulate aeronautical SatCom for customer demonstrations.

Time and date: We propose to operate the terminal from Sept. 25 through Oct. 1, 1999.

Class of station, call sign: Inmarsat Mini-M, call sign to be assigned with fixed base license

Nature of service: Data

Location of proposed: Salt Palace Convention Center, Salt Lake City, UT.

Equipment: Nera Worldfone Provident, P/N NE004, ISN #76EB036DB24D

Frequency: 1625-1659.5 M Hz

Effective Radiated Power: 46 Watts (17 +/- 1 dBW)

Emission type: 35 Deg. RHCP

Height: Less than 6 meters

Please review this letter and direct any questions to the undersigned.

Sincerely,

Greg Nelson
Airline Program Manager
