Dears Sirs,

Concerning our Experimental License WC2XOM effective February 15, 2001.
The Longitude appears to be printed incorrectly on the license.

The coordinate 12-11-01 NL and 47-48-01 WL is located somewhere slightly West of
Paris France. We are located in Seattle Washington at 122-11-01 NL and 47-48-01 WL

I believe (hope) our application is correct and this is only a typo on your part.
A copy of the license is attached for your reference.

Thanks for your help !

Please feel free to call me at 425-354-1405

Regards,

Randy Karr
