(Class of station)

S-2291-EX-96
(File number)

NAME VEGA, A MARK IV COMPANY

nationwide
(Location of station)

Special Temporary Authority is hereby granted to operate the radio transmitting apparatus described below:

Frequency (MHz)	Authorized Power (ERP)	Emission Designator
174 - 216	.05 w	60K0F3E
450 - 451	.25 w	180KF3E
455 - 456	.25 w	180KF3E
470 - 608	.25 w	180KF3E
614 - 806	.25 w	180KF3E

Operation: In accordance with Secs. 5.202(d), (f), and (j) of the Commission's Rules.

Equipment: Wireless microphones, intercoms, and IFBs.

This special temporary authorization is granted upon the express condition that it may be terminated by the Commission at any time without advance notice or hearing if in its discretion the need for such action arises. Nothing contained herein shall be construed as a finding by the Commission that the authority herein granted is or will be in the public interest beyond the express terms hereof.

This special temporary authorization shall not vest in the grantee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein. Neither the authorization nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This authorization is subject to the right of use of control by the Government of the United States conferred by Section 706 of the Communications Act of 1934.

This authorization effective January 19, 1996 and
will expire 3:00 A.M. EST. July 19, 1996

Carl Huie
Manager, Experimental Radio Station Permit and License
Federal Communications Commission

Dear Mr. Huie,

Vega, a MARK IV Company, would like to apply for a special temporary authorization as an Experimental Radio Service. Due to change in personnel we failed to renew our old license that expired October 1, 1993. We are currently re-applying for this status, but due to a commitment to a trade show we need to have a STA. In accordance with 5.56 the following information is submitted:

- 1) Vega, a MARK IV company
Baldwin Place
El Monte, CA 91731-2294
- 2) Trade Shows in various locations within continental US
- 3) Demonstration of equipment to prospective purchasers for proposed stations in existing services by persons engaged in the business of selling radio equipment, limited market studies, and technical demonstrations of equipment or techniques.
- 4) Demonstration of equipment to prospective purchasers for proposed stations in existing services by persons engaged in the business of selling radio equipment, limited market studies, and technical demonstrations of equipment or techniques.
- 5) From 10:00 AM to 6:00 PM every day from January 19, 1996 through January 22, 1996. We Request that this STA be valid for six months or less until we acquire our re-issued license.
