Place: ELB@K5DOM.K5PO1

If this is just a name change, no transfer of control: Done!

>>> Lynne Rief <vega_doc@earthlink.net> 08/17 6:56 PM >>>
Dear Sir,

There was a request made to the FCC that Vega simply be known as "Vega", and not under any division control. Can you tell me if that change is allowed? And if we can start doing that? (I was asked to try and find out). Our call # is KF2XIQ.

Thanks for any help you can give me.
