Message:

Mr. Vest,

We are unable to process your application regard to provide incomplete information. In order to let us process your application, please submit the following information:

- 1) Description of the operation to be conducted and its purpose.
- 2) Could you reduce the frequency band 160-190 kHz to 160 - 185 kHz because FAA is using the frequency in this band for operation? If you would like to use it, you must coordinate with FAA Region and send to FCC a complete FAA coordination with their NG number.
- 3) The regular experimental license is used for 2 year period; you can renew the license after 2 year. If you would like to apply for 60 months, please submit the justification letter.
- 4) The attached files for payment receipt and antennas do not show on your application. Please re-submit them.
- 5) The system is showing that you haven't paid your application fee yet. If you have a problem to pay the fee online, please contact Nancy Hey (202) 418-2432.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 12, 2009 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
