

FCC request for information: “Please submit the government contract number and point-of-contact, and also submit name and telephone of person who will terminate the system if having interference occurs.”

Vista Research response:

1. The demonstration is an internally funded test being hosted by the Marine Exchange of Southern California (MXSOCAL) for several local government agencies. The point-of-contact for this test at MXSOCAL is Reid J. Crispino, General Manager.
2. Contact list:
 - a. Chuck Finley (Vista Research) (805) 208-5359
 - b. Dean Sumi (Vista Research) (562) 900-0615
 - c. Angela Putney (Vista Research) (703) 920-2100
 - d. Watch Supervisor (MXSOCAL) (310) 832-6411
 - e. Reid Crispino (MXSOCAL) (310) 869-8631
