

November 9, 1999

A Form 159 with payment by credit card was mailed on November 1 for this same License (Call Sign WB2XEH, File No. 0270-EX-PL-1999). No charge has been posted against the Master Card account as of this date. I have assumed that the original Form 159 was lost in the mails. This submission includes a company check for the required \$45.00 remittance.
