

Vodafone Americas Asia Inc. ("Applicant") seeks to renew its experimental authority under call sign WC2XNA. No changes to the station have taken place since the Commission's April 30, 2001 grant of Applicant's modification application filed April 20, 2001 (*See* FCC File No. 0031-EX-ML-2001). Applicant respectfully references the exhibits submitted with its original and subsequent modification applications for station WC2XNA for a full description of the experimental program.
