MEMORANDUM

May 19th, 2019.

To Whom It May Concern:

VPN Systems, Inc. STA Experimental License Application #0924-EX-ST-2019.

This is to certify that:

VPN Systems, Inc. provides wireless network technology and solutions.

The experimentation related to the STA will be conducted in both an indoor testbed and outside trial network implementing a set of test cases.

VPN Systems, Inc. – directly and through other companies in its partner community – has extensive experience in wireless network technology and implementations.

For the above reasons, I believe VPN Systems, Inc. meets the Eligibility criteria for a Special Temporal Authority experimental license as set forth in the Commission Rules.

Sincerely,

Edward W. Suor,
Managing Director
(585) 721-1001.
