Ben,

1. We do authorize you to dismiss the application filed yesterday, identified by File Number 0296-EX-PL-2007.
2. The application associated with File No. 0647-EX-PL-2006, as amended yesterday, is complete for processing.

We are unable to confirm from our end whether you received the attachments that we filed yesterday with the application. We have a receipt from the OET software, but we cannot "see them" in the OET software.

Thank you,

Douglas Jarrett
