Dear Mr. Michael Violette,

This refers to application, File No. 0210-EX-ST-2008, for an experimental authorization.

Washington Laboratories, Ltd., needs to contact David Rau at (301) 688-9200 to discuss the proposed testing at Fort Meade. NSA has numerous spectrum entities that would be adversely impacted with such a broad request.

Responses to this correspondence must contain the Reference number : 6371

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burt", is written over the printed name.
