Subject: STA 0288-ex-st-2008

Hello John,

Thanks for speaking with Steve Ferguson and myself yesterday. We understand your concerns and appreciate very much that you're looking out for us.

I have amended the STA application to show a stop date of June 30, 2008. I hope that is more in line than the six month stretch.

Thanks again!

Best Regards,

Brian Dettling
