Re: Application for Experimental Radio Service and STA Request of Wavtrace, Inc.

Dear Mr. Healy:

I understand from your colleague, Doug Young, with whom I spoke during your absence, that you are the FCC staff person who will be handling the above-referenced application and STA request. I have enclosed for you a courtesy copy of the application and request. As you will see when you review the STA request, Wavtrace hopes to be able to commence its proposed experimental program later this month (on or about September 28). If there is anything that we can do to help expedite this matter, or if you otherwise have any questions regarding this matter, please do not hesitate to contact me at (202)662-5554, or my colleague, Lee Tiedrich, at (202)662-5403.

Sincerely yours,

Laurel E. Miller

Counsel for Wavtrace, Inc.
