Dear Experimental Radio Service Staff:

On behalf of Western Atlas International, Inc., we are transmitting herewith an application for modification of the authorization for Experimental Radio Service station KG2XLP to increase the number of Mobilsat terminals. Attached to the application is a check in the amount of \$45.00 in payment of the FCC filing fee for this application.

Please direct any questions or correspondence concerning the above matter to this office. The applicant has authorized mailing the authorization for the radio system under application to our offices.

Very truly yours,

Eugene Maliszewskyj
Director of Engineering &
Licensing-Private Radio

Re: Experimental Radio Services Station KG2XLP

Dear Mr. Huie:

This refers to our pending application for modification of the authorization for Experimental Radio Service Station KG2XLP to add satellite terminals.

You have indicated that the application form that we filed is outdated, but you may continue to process the form if we provide the following certification:

No party to this application is subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1998, 21 U.S.C. S 862, because of a conviction for possession or distribution of a controlled substance.

Very truly yours,

Authorized Employee

Re: Western Atlas International, Inc.
Experimental Radio Service station KG2XLP

Dear Mr. Huie:

As requested, enclosed is a letter from Western Atlas International, Inc. providing the anti-drug abuse certification required in connection with its pending application for modification of the authorization for Experimental Radio Service station KG2XLP.

If any further questions should arise in connection with this filing, please refer them to this office.

Very truly yours,

Eugene Maliszewskyj
