DISMISSED-WITHOUT PREJUDICE

Dear Mr. Benedict,

This refers to application, File No. 4002-EX-PL-93, for an Experimental Radio License.

You are advised that the Commission is unable to grant your application for the facilities requested. The National Telecommunications and Information Agency has objected to the use of frequencies 1740 and 1760 MHz for non-Government use. These frequencies are allocated for use by the federal government only and cannot be used for experiments as proposed.

Sincerely,

for Carl Huie
