

Memorandum for: FCC

12-22-2005

From: James Edwin Whedbee, M.Ed.

Subject: Correction of Error in Electronic Submission

Re: File #0395-EX-PL-2005

To the Commission:

The electronic application refers to a 50% frequency tolerance, which obviously is an error. Please note that as 0.50% (round up to 1% if you wish). Thank you!

Best wishes,
