

In reference to: FCC Program Experimental License Application

This letter is to certify that the program in Electrical and Computer Engineering, School of Engineering, at Rutgers, The State University of New Jersey is accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET). The program has been continuously accredited since 1936, most recently using the criteria for both **Computer Engineering and Electrical and Electronics Engineering**.

The Electrical and Computer Engineering program has an active graduate research program, that includes the activities of WINLAB as a part of that graduate research activity.
