Re: Experimental Request of WinStar Wireless, Inc.

Dear Mr. Morgan:

Enclosed please find a copy of an application submitted by WinStar Wireless, Inc. seeking an experimental license for services in the 38 Ghz band (38.6-40.0 GHz). The original application and filing fee are being submitted concurrently in Pittsburgh, Pennsylvania. As demonstrated in the application, WinStar believes that the public interest will be well served by grant of the requested experimental license.

Please call me if you have any questions concerning this application. Thank you in advance for your prompt attention to this matter.

Sincerely,

Stephen L. Goodman
