Re: *Application of Wireless Communications Association International, Inc.
for Experimental Authorization in Annandale, VA, and Castleton, VA on
the 2305-2320 and 2345-2360 MHz Frequencies*

Dear Sir or Madam:

Horizon Wi-Com LLC ("Horizon") is the licensee of KNLB315, the A Block Wireless Communications Service ("WCS") license in the Washington, DC Major Economic Area (MEA 005). Horizon has reviewed the request of the Wireless Communications Association International, Inc. for special temporary authority to perform testing on the WCS frequencies authorized to KNLB315. Horizon hereby consents to the testing as proposed in the attached application.

If you have any questions regarding this consent please do not hesitate to contact Ron Olexa at (770) 983-1544.

Respectfully submitted,

HORIZON WI-COM LLC

Dear Sir or Madam:

BellSouth Mobile Data, Inc. ("BellSouth") is the licensee of KNLB238 and KNLB239, the C and D Block Wireless Communications Service ("WCS") licenses in the Southeast Regional Economic Area Grouping (REAG 002). BellSouth has reviewed the request of the Wireless Communications Association International, Inc. for a special temporary authorization to perform testing on the WCS frequencies authorized to KNLB238 and KNLB239. BellSouth hereby consents to the testing as proposed in the attached application.

If you have any questions regarding this consent please do not hesitate to contact Neale Hightower at (404) 986-8593.

Respectfully submitted,

BELLSOUTH MOBILE DATA, INC.

Re: *Application of Wireless Communications Association International, Inc.
for Experimental Authorization in Falls Annandale, VA, Castleton, VA on
the 2305-2320 and 2345-2360 MHz Frequencies*

Dear Sir or Madam:

Comcast WCS ME05, Inc. ("Comcast") is the licensee of KNLB276, the B Block Wireless Communications Service ("WCS") license in the Washington, DC Major Economic Area (MEA 005). Comcast has reviewed the request of the Wireless Communications Association International, Inc. ("WCA") for special temporary authority to perform testing on the WCS frequencies authorized to KNLB276. If the tests being run pursuant to the WCA application cause interference to Comcast's operations on KNLB276, WCA will cease testing immediately. Comcast hereby consents to the testing as proposed in the attached application.

If you have any questions regarding this consent please do not hesitate to contact David Don at (202) 379-7145.

Respectfully submitted,

COMCAST WCS ME05, INC.
