These documents contain detailed description and related information about the application, which the Applicant considers to be proprietary, confidential, and a custom implementation and, otherwise, would not release to the general public. The Applicant considers this documentation as sensitive and that it creates a vulnerability to its business implementing and deploying the described technology and processes.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying materials will not be made before the date of the Approval for this Application.

Yours sincerely,

A handwritten signature in blue ink that reads "Bandele Adepoju".
