Dear Sir or Madam:

This refers to a grant of experimental license (file # 5089-EX-ML-95) to modify Experimental Radio Station KA2XXX.

The previously issued authorization was granted inadvertently. It is not consistent with our policy regarding Part 15 devices to allow such high-powered operation in the requested band. Accordingly, the previous authorization is superseded by the enclosed authorization.

Please direct any correspondence to the address on the letterhead, mail stop 1300E1.

Sincerely,

A handwritten signature in black ink, appearing to read "H. John Morgan", with a stylized flourish at the end.

H. John Morgan
