

Frequency Coordination Exhibit
Dan Wolfe Aviation
0553-EX-ST-2007

Applicant will coordinate operation prior to and during the NFL football game with both the SBE/NFL Game Day Coordinator for the NFL football game for interference avoidance inside the stadium, and with the SBE Atlanta coordinator for the 2 GHz mobile operations in the Atlanta market. No operation will be conducted except as coordinated with both frequency coordinators. Should any interference be reported, operations will cease unless and until resolved to the satisfaction of all applicable frequency coordinators and the complaining licensee.
