

**FREQUENCY COORDINATION EXHIBIT
REQUEST FOR SPECIAL TEMPORARY AUTHORITY
WOLFE AIR AVIATION
0603-EX-ST-2007**

Applicant, **Wolfe Air Aviation**, a provider of video production services for remote video and film production at sporting events, has coordinated prior to the NFL football game with the SBE/NFL Game Day Coordinator for the NFL football game for interference avoidance inside the stadium, and with the NCFCC San Francisco coordinator for the 2 GHz mobile operations in the San Francisco market. No operation will be conducted except as coordinated with both frequency coordinators. Should any interference be reported, operations will cease unless and until resolved to the satisfaction of all applicable frequency coordinators and the complaining licensee.
