Subject: Request for Info - File # 0899-EX-CN-2020

Message:

Your *ART line was not accepted by NTIA. There should only be two North coordinates and two West coordinates that define four corners of a box. You have four North and four West coordinates, which you can only use if you are defining two boxes in two separate *ART lines. You could also use *ART,SE AZ,SW NM, but you can't use both states and coordinates.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 17, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
