Dear Carl,

I run an internet music station, so I am not sure as to what the law is under this type of situation. I want to play music from different bands, but I do not want to be sued by them for plagiarizing. So I'm not sure if this was the right type of application to fill out. It was experimental in the fact that I wanted to do this as a school project, but if it was to succeed I wanted to continue doing it. Thank you for your time.

Sincerely,
Oscar Arroyo
