Reference: 5025-EX-PL-95 Change of Location Application

Dear Sir:

XeTel Corporation wishes to submit this change of location application. All manufacturing operations will be moving to 2105 Gracy Farms Lane. The new location is approximately .8 mile Northeast from our present location. Operations at this new plant are scheduled to begin April 15, 1997.

Enclosed is a newly completed FCC Form 442 and a check for \$45.00 as determined by the fee type code.

As stated in previous correspondence, these units are ultimately licensed as non-broadcast transmitters under Part 90.103 (File Number: 3010/EQU17.9), therefore, XeTel has omitted specific means for station identification.

Please note, XeTel will continue to occupy administrative offices at it's present location. Please send any correspondence and/or new license to the 2525 Brockton Drive address.

If there are any questions, please do not hesitate to call. (512) 435-1190.

Sincerely,

Ruben Castillo
Safety & Environmental Coordinator
