

XO Communications, Inc.
FCC Form 442
Antenna Sketch Response
December, 2004

The antenna requested for Mountain View, California is being added to an existing antenna tower that does not require FCC registration. The antenna will be side-mounted and will not extend beyond the tip of the existing antenna. Therefore, there will be no aeronautical hazard as a result of the antenna.

XO believes that the application is complete and asks that the application be processed expeditiously. Should there be any questions regarding the application, the FCC is asked to contact counsel for XO, Russell H. Fox, of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C at 202-434-7483 or rfox@mintz.com.
