Message:

Hello,

I am an engineer at Xwing. Our experimental application (0732-EX-ST-2018) was recently declined - this message is in response to the FCC OET correspondence.

Could we schedule a brief telephone call with someone who may be able to help clarify what airborne and ground-based operations could be approved for evaluation of our Fortem Technologies DAA-R20 RADAR unit?

You can reach me at lecerf@xwing.com or (248) 701-3350.

Regards,
Marc Lecerf
