Subject: Additional Information Request

Message:

Dennis,

I understand the ground stations are not located in US but I still require you to fill out the NTIA Space record form. I believe I sent you a copy of this Dirk but here it is again. Please see the highlighted portions. Address it for both of your Transmit frequency request. The ground station information doesn't go in the transmitter portion in your application but I still need to be able to form a link and explain this to NTIA so please provide that info. Please see the highlighted portions in the attachment that I sent to you via email.

V/r,
Nimesh
