To whom it may concern,

Enclosed please find an application for an Original Grant for equipment certification of Model 7590-00; FCC ID: 2A22JOTSTATION under Rule Part FCC 15.247. This device includes the Mediatek MT6311P Bluetooth and WiFi IC and supports 2.4 GHz WiFi and Bluetooth Low Energy. Model 7590-00 will be used in portable, handheld conditions. The Bluetooth radio is being used to communicate with other TSI equipment with FCC ID 2A22JOTMODULES including models 7591-01, 7591-02 and 7591-04 in both a separated and co-located method and the testing included depicts the inclusion of co-location with the 7591-xx models. Testing was performed at multiple Element test lab locations due to timing and scheduling.

Further details and supporting documents are attached.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel Happe".
Daniel Happe
General Counsel
