

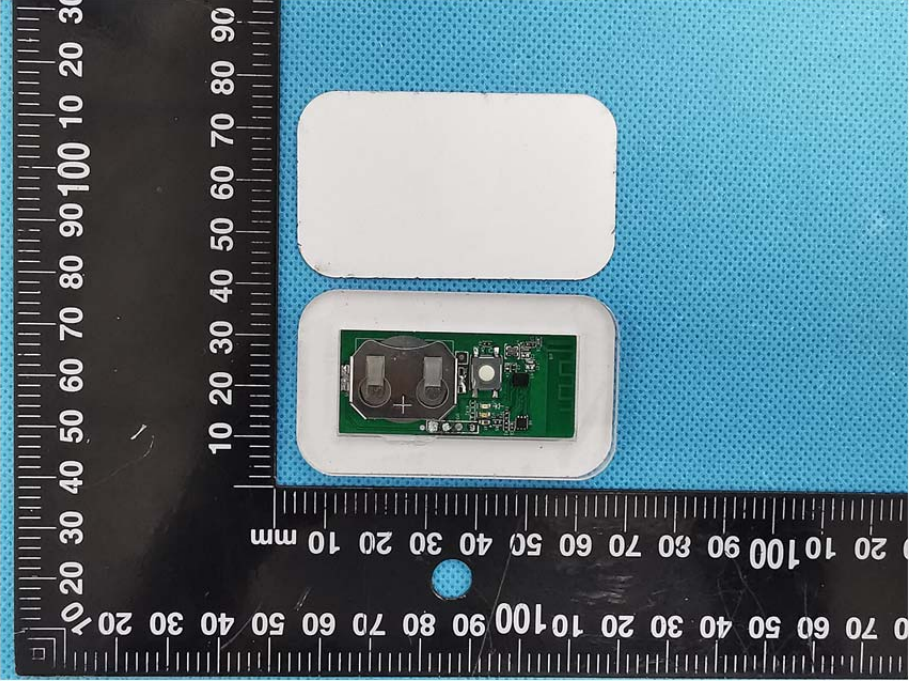

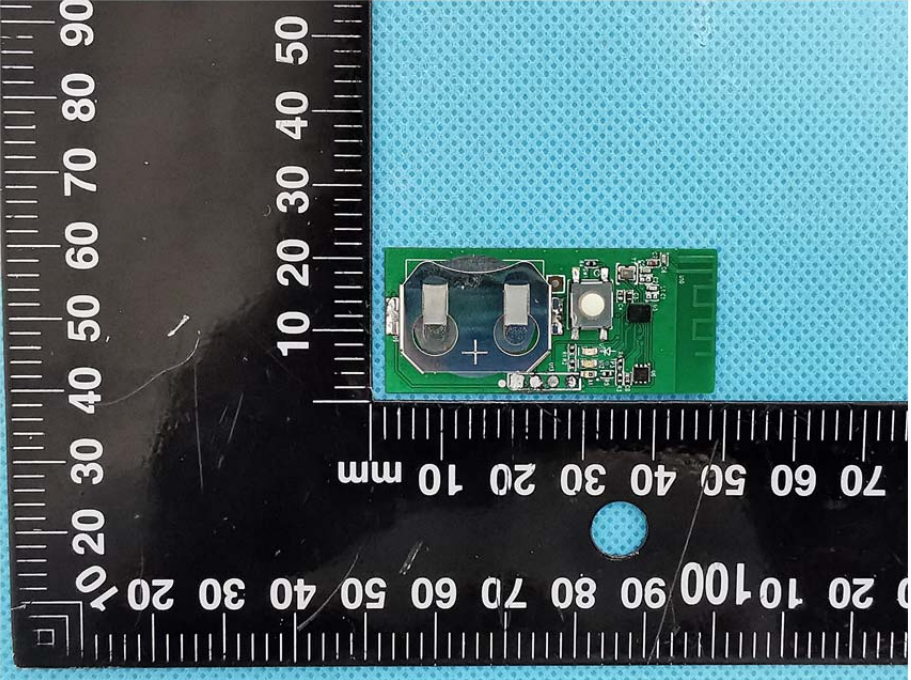

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>This photograph shows the EUT housing and board assembly. A white plastic housing is placed over a green printed circuit board (PCB) which contains two cylindrical components and various electronic components. The assembly is positioned on a blue perforated surface. A black ruler with white markings is visible on the left and bottom, providing a scale in millimeters. The ruler markings on the left range from 0 to 100 mm, and the markings on the bottom range from 0 to 100 mm.</p>
<p>Solder Board-Component View 1</p>	 <p>This photograph provides a close-up view of the solder board-component. The green PCB is shown with two cylindrical components and various electronic components. The assembly is positioned on a blue perforated surface. A black ruler with white markings is visible on the left and bottom, providing a scale in millimeters. The ruler markings on the left range from 0 to 90 mm, and the markings on the bottom range from 0 to 100 mm.</p>
