

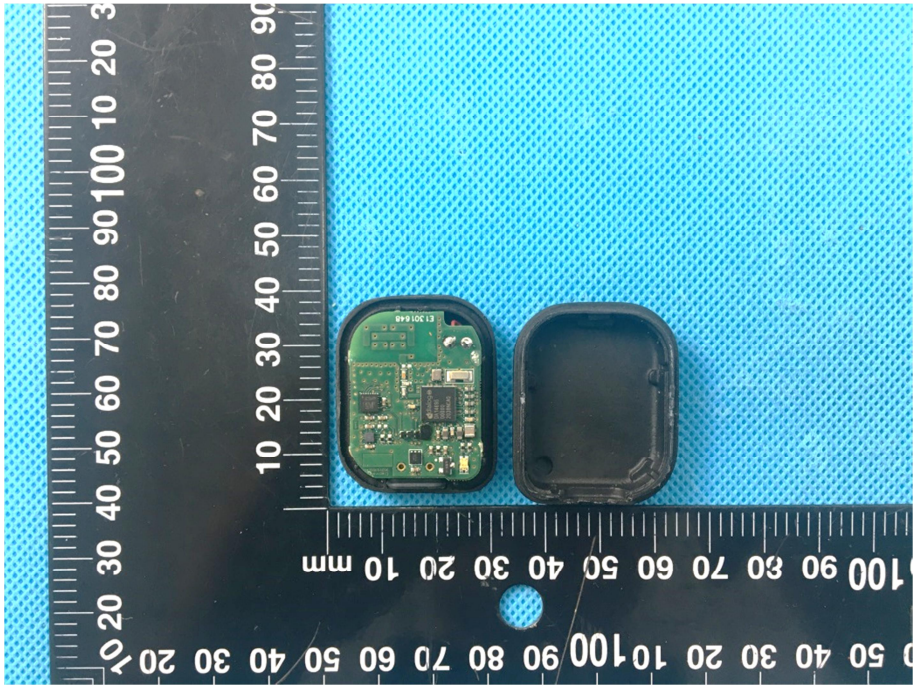

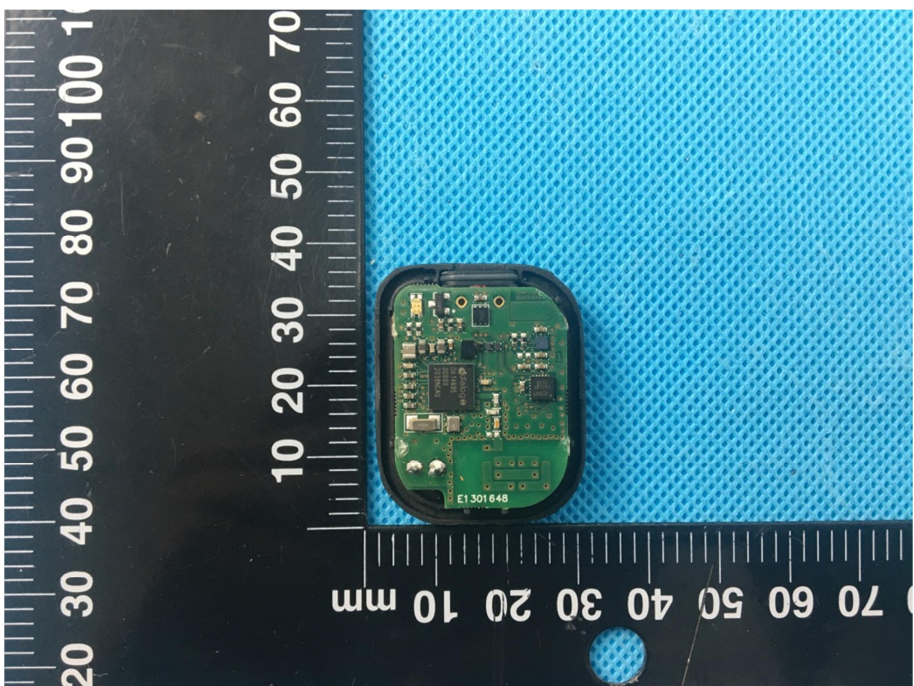

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an Electronic Under Test (EUT) housing. The green printed circuit board (PCB) is visible, populated with various electronic components including a microcontroller, memory chips, and passive components. The PCB is placed next to a black ruler with white markings for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a blue textured surface.
EUT Housing and Board View 2	 A photograph showing the internal components of an Electronic Under Test (EUT) housing from a different angle. The green printed circuit board (PCB) is visible, showing the underside of the components. The PCB is placed next to a black ruler with white markings for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a blue textured surface.
