

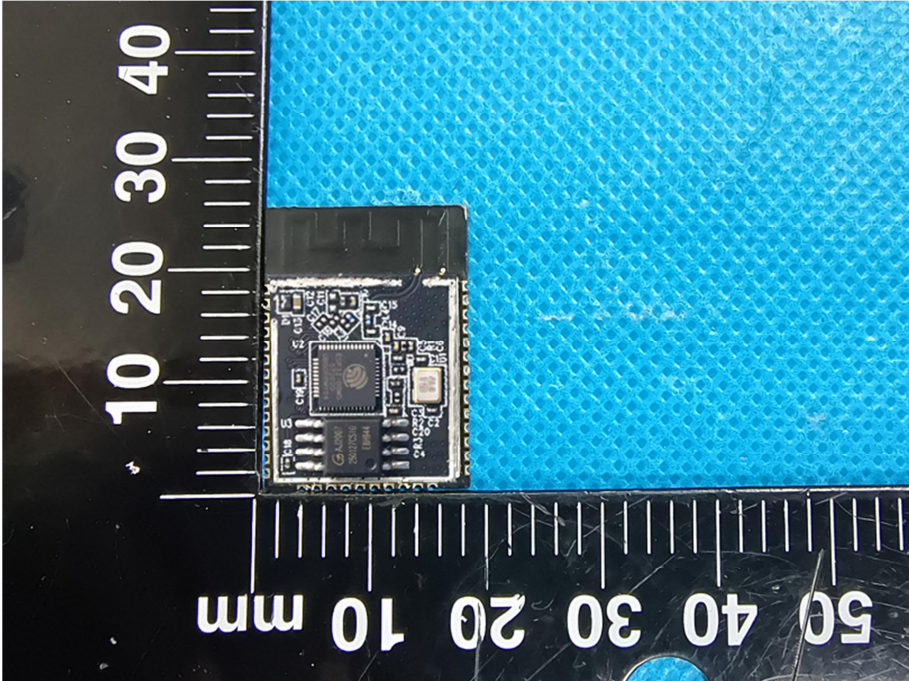

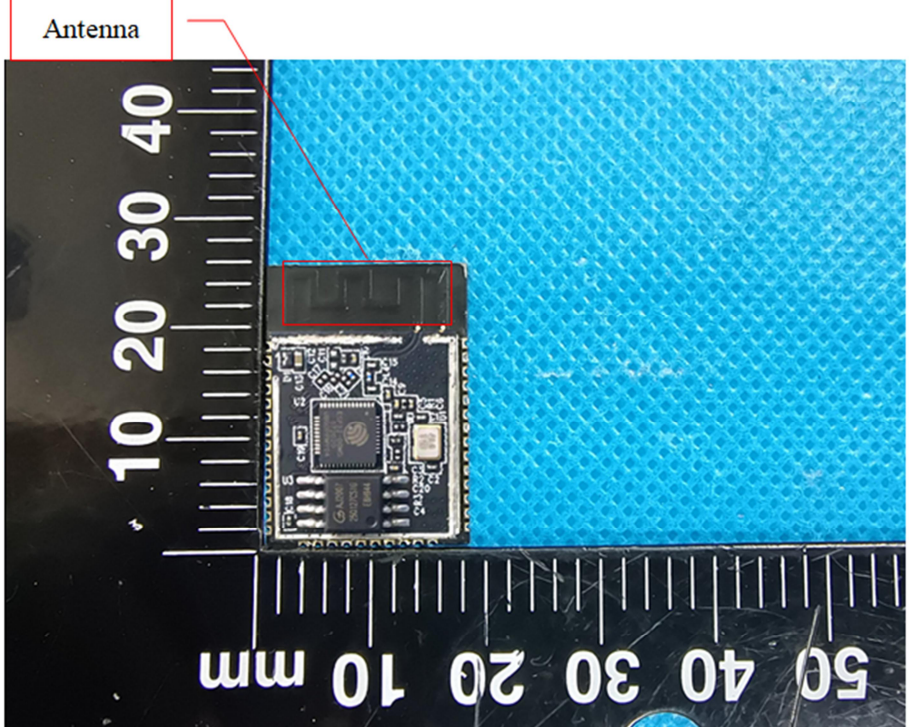

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View</p>	 <p>A photograph showing a small electronic component (likely a SIM card) mounted on a printed circuit board (PCB). The component is positioned vertically. To the left of the component is a black ruler with white markings, showing measurements from 10 to 40 millimeters. Below the component is another black ruler with white markings, showing measurements from 50 to 10 millimeters. The background is a blue textured surface.</p>
<p>Antenna View</p>	 <p>A photograph showing the same electronic component as in the first image, but with a red box highlighting a specific area on the top edge of the component. A red line points from the label "Antenna" to this highlighted area. The ruler and background are the same as in the first image.</p>
